## MERRICK FREE ART GALLERY & MUSEUM

*"A taste for the past, a vision for the future."*

# ABOUT US

The Merrick has gone through many changes since 2020. The Gallery will now collect the membership dues that were once collected by the Merrick Art Gallery Associates. This will help fund the continuing changes that need to happen for the future of this beautiful art gallery & museum.

With your paid membership, we will offer discounts on rentals & a seasonal newsletter to keep you updated on the happenings! Stay informed as to the events that are happening here & be the first to hear about them! Our goal is to put the Merrick Art Gallery on the map! With your help, we can meet & exceed our goals in this coming year.
