

RENTERS WISHING TO SERVE ALCOHOL FOR EVENTS AT THE MERRICK ART GALLERY

Given the general severe nature of a liquor liability claim, the Merrick Art Gallery must carry a liquor liability policy.

For a client/host to serve alcohol at any event held at the Merrick Art Gallery, the client/host must provide a copy of a Homeowner's policy certificate that not only shows an equal \$1,000,000.00 limit. The certificate needs to specify that client/host's liquor liability is included.

Many insurance companies can offer homeowners limits of \$1,000,000.00. If the renter's company does not, a second option could be to purchase an umbrella policy -- so long as it includes liquor liability.

Other than that, the client/host needs to purchase a special event policy. This policy may be obtainable through the renter's own liability insurance carrier or through the Merrick Art Gallery's liability insurance carrier.
