

The Merrick has gone through many changes in 2020.

The gallery will now collect the membership dues that were once collected by the Merrick Art Gallery Associates. This will help fund the continuing changes that need to happen for the future of this beautiful museum.

With your paid membership we will offer discounts on rentals and seasonal newsletters to keep you updated on everything happening with the gallery.

Our goal is to put the Merrick on the map and make it a place where we bring memories of family and fun

With your help we can meet our goals and exceed from 2021-2022 and beyond for future generations.

---
